TRC Informatica S.L.

We would like to confirm that TRC Informatica S.L., based in Spain, is accredited as a Palo Alto Networks **'Silver'** partner that matches the following criteria:

- ✓ They are an authorized partner to sell and support the Palo Alto Networks' products and solutions in Spain.

This certificate is valid until our next Partner review which will be the 1st of February 2018.

Should you require more information, do not hesitate to contact us.

Yours sincerely,

Mannaerts Nancy
EMEA Channel Coordinator
